FOREWORD

Journal of Ners and Midwifery (JNK) is a peer reviewed, open access academic journal which comprises the results of research conducted by researchers focusing on health. By publishing high-quality and novel articles in a wide range of categories, this journal is dedicated to expanding and evolving the knowledge of health especially nursing and midwifery. Researchers and scientist will be able to obtain valuable information and innovative ideas from *JNK* articles. The mission of *JNK* is to provide readers and researchers with a reliable source of information relevant to current developments and discoveries of nursing and midwifery topics. The journal also acts as a forum for exchanging interdisciplinary scientific knowledge from professional and an educational point of view. *JNK* emphasizes the importance of the worldwide collaboration and cooperation in various fields of health. The topics covered in this journal include all of the nursing midwifery which is relevant to health. Any types of manuscripts submission, original research articles, review articles, new technology reports, are all welcomed. To sum up, the latest concept in a variety of research area is collected and summarized in this journal for the readers.

We are deeply grateful to all of the authors for their excellent works and remarkable contributions. Each issue offers useful reports and articles to the readers. We encourage both readers and researchers to submit manuscripts especially in health disciplines. We are looking forward to receive extraordinary manuscripts and to promote the development in the cutting-edge of health.

Blitar, December 2025
